

Biographies

Dan Wong

Dan Wong is President of the Western Dairy Council, the association for dairy processors in British Columbia, Alberta, Saskatchewan and Manitoba. Prior to the formation of the Western Council in June 2017, he was Executive Director of the British Columbia and Alberta Dairy Councils.

As head of Right Hook Business Strategies Ltd., a public affairs consulting firm, Mr. Wong has provided business strategy, public policy and communications services to major national and international corporations and to state governments in the US. Earlier, he led the Corporate Relations practice at Dairyworld Foods and was Vice President of Corporate Development at BC Ferries Inc.

Outside the dairy industry, Mr. Wong is Chairman of Encorp Pacific (Canada), operator of beverage container and electronics recycling services in British Columbia, and President of the Canadian Product Stewardship Council. He has also served as a Director of the Recycling Council of British Columbia and Director of the Canadian Manufacturers' Association, among others.

Mr. Wong holds Bachelors and Masters degrees in Political Science from the University of British Columbia as well as the ICD.D designation from the Institute of Corporate Directors/Rotman School of Management.
